

Regular withdrawal request

Notes to help you

This form lets you request regular withdrawals from International Prudence Bond (life assured or capital redemption).

This form is divided into sections. **Notes** can be found at the end of each section to help you fill in this form.

Please use black ink and write in CAPITAL LETTERS or tick as appropriate. Any corrections must be initialled – don't use correction fluid as this will invalidate your request.

Section A – Personal details

Bond number

Policyholder(s)

Section B – Information

Please read the following notes before completing this form.

- The minimum amount for each expected withdrawal payment, regardless of frequency, is normally £75, US \$112.50 or €112.50.
- Payments may be made by cheque or direct credit to a nominated bank account. Any method of transfer other than by cheque may attract a charge as noted in the Statement of Charges document.
- If you're unsure as to how your regular withdrawal will be taxed you should speak to your financial adviser BEFORE submitting this request. Tax may be payable where you make a regular withdrawal from your bond. Any tax liability may vary depending on your individual circumstances including, but not limited to, your tax residency status and the size of any regular withdrawal you make from your bond. Prudential International Assurance can't, under any circumstances, undertake tax calculations for bondholders or their advisers.

UK Residents

Withdrawals of more than 5% every year of the total investment may create a chargeable event for UK resident policyholders.

Please note: If you have invested in a PruFund Protected Fund, regular withdrawals will erode the Guaranteed Minimum Fund.

Regular withdrawals from a PAC With-Profits Fund may be subject to a Market Value Reduction. Please see your Key Features Document for more details.

Any withdrawal is paid in the Cash-in Benefit Currency.

Please note: When you start or vary regular withdrawals from your bond, there is a maximum amount you can take in any 12-month period. This is based on a set percentage of either the amount you have paid in or the value of your bond. Please see your Statement of Charges document for more information.

Withdrawals will be taken across all funds in proportion and, if you have made more than one investment, in proportion to the value of units in each.

If you have previously cancelled a regular withdrawal request, or you subsequently cancel this request, we reserve the right not to allow regular withdrawals to re-start. This may apply where your bond is invested in any of the PAC With-Profits Funds and we need to exercise this right in order to protect the fund. This does not apply to bonds with numbers starting S6, S7, E6 or E7, which were issued or in process before 9 May 2011. Please see your Key Features Document for more information.

Tax rules can change, the impact of taxation (and any tax relief) depends on your circumstances.
