- Some of the information in this form is needed because of HM Revenue & Customs rules – so must be correctly and fully completed.
- Copies of the plan terms and conditions and the completed application form are available on request.

How we use your personal information

We, Prudential UK (part of M&G plc), take the privacy and protection of your personal information seriously.

So we've set out below information about our processing of your personal information, what rights you have, and how you can get in touch if you want to know more.

When we say personal information, we mean information about you, such as your name, date of birth and contact details. We collect personal information from you that is necessary for us to either provide you with the product or service you've requested or to comply with statutory or contractual requirements. Unfortunately if you don't provide all of the information we require this may mean we are unable to provide our products and services to you.

Part A – How we use your personal information and why

We, M&G plc, and our Business Partners, will use the personal information you provide to us, together with other information, for the following purposes:

- the administration of our products and services, including to enable us to perform our obligations to you and to provide any relevant services as discussed with you prior to any purchase of a product or service
- complying with any regulatory or other legal requirements
- carrying out checks using agencies such as credit reference agencies, tracing companies, or publicly available information (See Part B for more)
- the provision of customer services – like to reply to a question, or tell you that something's changing
- automated decision-making or profiling (see Part C for more)
- keeping your information on record and carrying out other internal business administration

In addition, we, M&G plc, and our Marketing Partners, will use the personal information you provide to us, together with other information, to send you direct marketing offers by electronic and non-electronic means including by post, as well as sending you introductions to products and services from carefully selected third parties also by post. Please see Part G for further details.

Some of the purposes above are necessary to allow us to perform our contractual obligations to you and to enable us to comply with applicable laws and regulation. We may also rely on legitimate interests or other legal bases in using and sharing your personal information for the purposes described above to improve our products and services. This allows us to explore ways to develop our business and to gain insights into how our products and services are used. To the extent that we need your consent to use your personal information for the purposes described above, you explicitly provide your consent by signing and returning this form, or as set out in Part G as appropriate.

Who we share your personal information with and why

We may share your personal information within M&G plc and with our Business Partners, for any of the purposes set out in Part A. If you have a joint policy or investment, the other person may receive your personal information too. If appropriate, we may also pass on your personal information to financial crime prevention agencies, any legal, regulatory or government bodies.

As we, M&G plc, and some of our Business Partners are global companies, we might need to send your personal information to countries that have different data protection laws to the UK or the European Economic Area. These transfers will only be to countries in respect of which the European Commission and, where applicable, the UK Government has issued a data protection 'adequacy' decision, or to other countries, such as India or the United States of America, but only where appropriate safeguards have been put in place first. In more limited circumstances, we may also need to rely on a derogation under applicable privacy laws.

If you want to know more about these safeguards – like our use of the European Commission's or UK's Model Clauses which govern the transfer of information outside of the European Economic Area and UK respectively – further information is available on request.

We keep your personal information for a set amount of time

Your personal information will be stored either for as long as you (or your joint policyholder) are our customer, or longer if required by law or as is otherwise necessary. It'll always be in line with our data retention policy.

Part B – Reference checks

For certain products, we may use approved credit reference agencies, tracing companies, financial crime prevention agencies, or publicly available information, to help us to check your identity, as well as to prevent fraud and money laundering; this may include checks on your current or previous addresses. Results of these may be recorded for future reference.

These checks may also be carried out for a joint policy holder or person(s) that you provide personal information on. Should we ever lose contact with you, we may use these agencies to verify your address to help us get back in touch.

Any transfer of your personal information will always be done securely.

Part C – We may use your personal information to make automated decisions or profile you

We, M&G plc, our Business Partners, and our Marketing Partners may use your personal information to make automated decisions affecting you or to conduct other profiling (for example, marketing profiling).

To the extent that we conduct such automated decision making activity, we'll provide you with further information at the appropriate time.

Part D – Use of your sensitive personal information

For certain products or services, we'll need to process your sensitive personal information, such as information relating to health, genetics, biometric identifiers and sexual orientation. To the extent that we need your explicit consent to process this kind of personal information in the manner described in Parts A, B, and C, you explicitly provide your consent by signing and returning this form.

Part E – You're in control

When it comes to how we use your personal information, you've got the right to:

- request a copy of your personal information for free (we may charge you for this if the request is manifestly unfounded or excessive)
- in certain circumstances request that we move your personal information to another organisation if you want us to
- request that we correct anything that's wrong, or complete any incomplete personal information
- ask us to delete your personal information if it is no longer needed for the purposes set out in Part A or if there is no other legal basis for the processing
- limit how we use your personal information or withdraw your consents (including automated decision making) you have given for the processing of your personal information
- object to us using your personal information for direct marketing (including related profiling) or other processing based on legitimate interests
- complain to a data protection authority or another independent regulator about how we're using it.

If you want to do any of these things, or would like an explanation as regards these rights, we've explained how you can get in touch in the Contact Us section.

If you do need to speak to us, it'll be useful to have to hand that the data controller of your personal information is Prudential UK. Prudential UK have also appointed a Data Protection Officer who can be reached at the address shown in the Contact Us section of this document.

We may monitor or record calls or any other communication we have with you. This might be for training, for security, or to help us check for quality.

Part F – Acting on someone else's behalf?

If you give us personal information about another person (or persons), we'll take that to mean they have appointed and authorised you to act on their behalf. This includes providing consent to:

- our processing of their personal information and sensitive personal information (as we've explained in Parts A, B, C, and D above)
- you getting any information protection notices on their behalf.

If for any reason you are concerned as to whether you are permitted to provide us with the other person's information, please contact us on the phone number below before sending us anything.

Part G – Direct marketing

We and M&G plc will still send you information by post about the Prudential UK and M&G plc's products and services and carefully selected third parties.

Additionally, from time to time, Prudential UK and M&G plc would like to contact you by electronic means with details about products, services and any special offers. Important notes

Your Statutory Rights Under The Access To Medical Reports Act, 1988 and The Access To Personal Files and Medical Reports (NI) Order 1991

The plan will not start until we have assessed and accepted your application, and the first premium has been paid. If you have a birthday while your application is being processed, the terms may differ from those originally quoted.

In most instances your payments will be as originally quoted. We may offer you revised terms, but occasionally we may not be able to offer any terms.

We may ask you to contact your doctor if we are waiting for reports which we have asked for.

If we ask you to come for a medical examination, we will need to share the application information with another company we have authorised. They will make the arrangements for the examination to take place.

We may need to send your application and relevant medical reports to our reassurers for their opinion or agreement of the terms offered. Or, we may need to send them at a later stage for purposes relating to managing the policy. You can get details of general reinsurance principles and details of any company we use to assess your application, from our head office.

We have a confidentiality policy in place which means we hold your medical information securely and access is limited to authorised individuals who need to see it.

You are entitled to ask for a copy of our standard terms and conditions and a copy of your application form at any time.

Access to medical reports

We may need to get medical reports to support your application. Before we can ask any doctor that you have consulted to fill in a report, we need your permission under the Access to Medical Reports Act 1988. Your rights under the act are as follows.

You do not need to give your permission, but if you do not, we may not be able to go ahead with your application. This does not prevent you from applying to other companies for insurance.

You can ask to see the report before the doctor returns it to us. If this is the case, we will tell the doctor to keep the report for 21 days so that you can arrange to see it. If you have not made arrangements to see the report within this time, your doctor will send the report to us.

If you choose not to see the report at this stage, you may ask the doctor for a copy within six months of it being sent to us. We can send a copy of the report to your doctor if you ask to see it at a later date.

If you think that any part of the report is not correct or is misleading, you may ask the doctor to amend it. If your doctor refuses to make the amendments, you may ask him or her to attach a statement outlining your views, which will then accompany the report.

Your doctor can withhold access to the report if he or she feels that it would cause physical or mental harm to you or others.

The medical report your doctor fills in asks about the following.

1. Your current health.
 - Any care, medication or treatment you are currently receiving.
 - The results of referrals or tests you are waiting for.
2. Any time off work in the last three years.
3. Your past health.
 - Details (excluding minor self limiting ailments/ conditions) of any relevant illness, trauma, or referrals for specialist advice or treatment, hospital admissions, consultations with your GP or any other medical adviser, therapist or counsellor, in particular whether you have a history of:
 - (i) malignancy (cancer), cardiovascular (heart) disease, diabetes, and degenerative (gradually worsening) diseases;
 - (ii) musculo-skeletal disease or injury, for example, arthritis, rheumatism, back problems or any other disorder of the joints or muscles;
 - (iii) anxiety, depression, neurosis (such as phobias, obsessions and so on), psychosis (a mental disorder where you lose contact with reality), stress or fatigue;
 - (iv) suicidal thoughts or attempts at suicide; or
 - (v) conditions related to drug or alcohol misuse or smoking or chewing tobacco.
 - Details of any biopsies, blood tests, electrocardiograms (heart tests), diagnostic genetic test results, height, weight if measured in the last two years, urinalyses (tests on urine), x-rays or other investigations.
 - Any blood pressure readings in the last three years.
4. Any history of disease among your parents or brothers or sisters that you have told your doctor about.

We have asked your doctor not to reveal information about:

- negative tests for HIV, hepatitis B or C;
- any sexually-transmitted diseases unless there could be long-term effects on your health; or
- predictive genetic test results.

The information you and your doctor provide about your health may result in us:

- refusing to provide insurance;
- setting exclusions or postponing cover;
- increasing premiums above standard rates; or
- setting premiums at standard rates.

If you have any questions about your rights under the act or questions relating to the process of getting, assessing or storing medical information, please write to: Chief Medical Officer, Prudential, Lancing BN15 8GB.

Declaration

- I agree to you asking any doctor I have consulted about my physical or mental health to provide medical information so you may assess my proposal. You may gather relevant information from other insurers about any other applications for life, critical illness, sickness, disability, accident or private medical insurance that I have applied for. I authorise those asked to provide medical information when they see a copy of this consent form. Prudential as administrator agrees to administer the Prudential (SAL)/M&G personal pension schemes as required by the rules of the schemes.

To be completed only if the employer is contributing to the plan or paying contributions on the applicant's behalf.

1. We, as employer of the employee making this application, confirm our agreement to pay contributions in accordance with this application to provide benefits in respect of the said individual.
2. We agree, having been so authorised by the employee, to deduct from payments of salary or wages, after all other deductions, his or her regular contributions, if any, net of tax relief at the basic rate in force at the time the regular contribution is paid to Prudential. We undertake to hold such contributions as agent for the said employee and, as agent, to pay these contributions together with our own regular contributions, if any, in accordance with this application to Prudential by means of Direct Debit Instruction.
3. We will ensure that contributions are paid to Prudential before the 19th of each month following deductions, if any, from the employee's pay (to meet the legislative "contribution monitoring" rules).
4. These agreements shall cease to operate if the employee leaves our employment or on such earlier date as we may decide. In either case, we will write to Prudential and the individual accordingly.
