We would like everyone to find it easy to deal with us. Please let us know if you need information about our plans and services in a different format.

All our literature is available in audio, large print or braille versions. If you would like one of these please contact us using the details on the last page.

The Financial Conduct Authority is a financial services regulator. It requires us, Prudential, to give you this important information to help you decide whether our Prudential Premier Stakeholder Pension Plan is right for you. You should read this document carefully so that you understand what you are buying, and then keep it safe for future reference.

About the Prudential Premier Stakeholder Pension Plan

The Prudential Premier Stakeholder Pension Plan gives you access to a range of investments to help you save for retirement in a tax efficient way.

If you still have questions about the Prudential Premier Stakeholder Pension Plan after reading this booklet, please look at the 'Get in touch' section for our contact details. If you have a financial adviser, please speak to them in the first instance.

Its aims

What this plan is designed to do

- To help you save for your retirement in a flexible and tax-efficient way.
- To give you access to a range of investments to match your attitude to risk and investment objectives.
- To offer optional waiver benefit in certain circumstances. Please see 'How flexible is it?' for more information about this.

Your commitment

What we ask you to do

- To make at least one payment into the plan – either regular monthly, yearly, or a single payment
- To allow your pension pot to potentially grow until you take your pension benefits.
- To regularly review your investments to make sure you're on track for retirement.
- If you've chosen waiver benefit, you must tell us about any change in your health from the time you sign the application through to the start of your plan as this could affect your cover.

Risks

What you need to be aware of

- The value of your investment can go down as well as up so you might not get back the amount you put in.
- There are different risks for different funds, please refer to your **Fund Guide** for more information.
- As the price of everyday goods and services goes up, your money won't stretch as far as the same amount would now. This is called inflation.
- If the total charges and costs are more than any overall growth achieved, your plan will fall in value, possibly to even less than you have invested.
- There may be a delay in buying, selling or switching to or from certain funds.
- If you've chosen waiver benefit, it will stop if you stop making payments to the plan.

Other documents you should read

This document gives you key information about the Prudential Premier Stakeholder Pension Plan. If you want more detail on specific points, please read the following documents. We have highlighted when they are relevant throughout this document.

They are all available from your adviser, or direct from us. Details on how to get in touch are on the last page.

- **Policy Document**

Gives you the full terms and conditions of the contract.

- **Fund Guide**

This explains your investment choices.

- **Personal Illustration**

Provides information about what you might get back.

Questions & Answers

Is the Prudential Premier Stakeholder Pension Plan right for me?

The Prudential Premier Stakeholder Pension Plan might be right for you if you're looking to save for your retirement in a tax-efficient way. The plan allows flexible payments that can be changed at any time without any charge and it meets the minimum standards set by the Government on payment levels, costs, and terms and conditions.

If you are not sure whether the Prudential Premier Stakeholder Pension Plan is right for you, please speak to a financial adviser. If you don't have one, you can find an adviser at pru.co.uk/find-an-adviser.

The Government provide a benefit known as Pension Credit. If you have little or no other retirement provision, the pension you receive from this plan could result in a reduction in the benefit you receive from the Pension Credit when you start taking your pension because of your increased pension. The exact effect will depend on the rules for Pension Credit in place when you retire. You may wish to speak to a financial adviser about Pension Credit before deciding if you want to go ahead.

How flexible is it?

You and your employer can all pay in regular or one-off amounts either by bank transfer, direct debit or cheque until you reach age 75. If your employer is deducting payments from your earnings, you should tell them of any changes you want to make.

You can change your payments at any time, subject to minimum amounts that we may set. Please call us if you would like to discuss this, our contact details can be found under the "Get in touch" section.

You can stop paying or take a payment break and restart later if your circumstances change. Please note that this will reduce your future benefits. If your circumstances do change, please speak to a financial adviser or contact us using the details on the last page.

You can arrange for your payments to be automatically increased each year. If you do increase your payments, you may also need to increase your waiver benefit. For information on this benefit please see the section 'What other benefits can I choose?'.

What other benefits can I choose?

If you're making regular payments you may be able to buy waiver benefit depending on eligibility. Waiver benefit will maintain the regular payments into your pension fund until your Selected Retirement Age if you are off work due to illness or disability. If your claim for waiver benefit is valid, we will cover your payments after an initial waiting period chosen by you at the start of the plan. Waiver benefit can't be added to your plan after you've joined.

You will not be eligible for waiver benefit if you joined the Prudential Premier Stakeholder Pension Plan for the first time on or after 17 January 2005. This benefit will stop if you stop making payments to the plan. Please speak to a financial adviser for further details on waiver benefit.

What happens if I move abroad?

Prudential is not able to accept new money from customers living overseas. If you move abroad and are no longer a resident of the UK you will no longer be able to top up this product.

How much can I pay into my plan?

There's no limit to the amount that you can pay into your plan, however, there are limits on the tax relief you receive. For more information about tax relief, please read the section 'What about tax?'.

You can arrange for your payments to be collected from your bank or you can ask your employer to deduct the payments from payroll and pay them directly to Prudential.

Can I transfer money in?

Yes, if you have a pension plan with another provider, you can transfer the value of it to this plan.

Your existing plan might have valuable guarantees you'd lose if you transfer your pension pot. You should speak to a financial adviser before you make a decision.

Where are my payments invested?

Different funds invest in different types of assets for example, some only invest in property, others invest directly in the stock market and others invest in a wide range of assets. Each fund has its own level of risk and potential for growth. Usually, funds with more potential for growth carry more risk. Remember, the performance of the funds isn't guaranteed. The value of your investment can go down as well as up so you may get back less than you put in.

You choose which funds you would like to invest your money in, from a range that we offer. You can invest in more than one fund at a time, up to a maximum of 20 and we use your money to buy units in those funds.

We may delay the buying, selling and switching to or from certain funds. These delays will only apply in certain circumstances and if this applies to you, we'll let you know. For more information, please read your **Fund Guide**.

Lifestyle switching is also available. This investment option aims to provide long-term growth with automatic switching into funds with generally lower risk profiles as you get closer to retirement.

Your financial adviser, if you have one, can give you details about the funds, before you choose where to invest. You can also refer to your employer and our **Fund Guide**.

Unit-linked funds

Payments into unit-linked funds will buy units in the chosen funds. The price of each unit depends on the value of the investment in the fund and also whether more money is going into or out of the fund. We work out the value of your plan based on the total number of units you have in each fund. So, if the unit prices rise or fall, so will your plan value. Money in the various funds is invested in a wide range of shares, corporate bonds, government stocks and commercial property in the UK and abroad. Your employer can give you details about the funds before you choose where to invest.

If no fund selection is made, the plan will invest in the default investment strategy – the Lifetime Investment Profile targeting retirement options.

Your financial adviser will help you select which investments are most suited to you.

How unit-linked funds invest

Some of the Prudential funds listed in your **Fund Guide** may invest in 'underlying' funds or other investment vehicles. Have a look at a fund's objective and that will tell you where it invests – including if that's in an underlying fund or funds.

If the Prudential fund is investing in just one underlying fund then it's what's known as a 'mirror' fund, as the performance of the Prudential fund broadly aims to reflect the performance of the underlying fund it invests in. The performance of our Prudential fund, compared to what it's invested in won't be exactly the same. The differences between the underlying fund and our fund can be due to:

- additional charges,
- cash management (needed to help people to enter and leave our fund when they want),
- tax,
- timing of investments (this is known as a fund's dealing cycle, it varies between managers and can be several days).

Can I change my investments?

Yes, you can switch your money between funds at any time and you can also change where you'd like any future payments to be invested. We don't currently charge you for this but if this changes in the future we'll let you know.

We may delay the buying, selling and switching to or from certain funds. These delays will only apply in certain circumstances and if this applies to you, we'll let you know. For more information, please read your **Fund Guide**.

What if I stop making payments?

You can stop paying or take a payment break and restart later if your circumstances change. This will reduce your future benefits.

Please remember that we'll keep taking our charges, even if you stop your regular payments. Charges and costs may vary in the future and may be higher than they are now.

Any waiver benefit will end when regular payments stop.

Can I transfer money out?

You can transfer your pension pot to another registered pension scheme at any time. We do not charge you for transferring to a new arrangement.

To find more information on this subject, you should speak to a Financial Adviser.

What are the charges and costs?

Charges and costs are deducted for managing your plan and the underlying investments. The amount we charge depends on the funds you invest in.

Please remember we'll keep taking our charges, even if you stop regular payments.

Charges and costs may vary in future and may be higher than they are now. You can find more information in your **Fund Guide**.

Annual Management Charge (AMC)

For unit-linked funds, we deduct an Annual Management Charge from the funds and this charge is already reflected in the price of the units. The amount of charge we deduct depends on the funds you choose to invest in and the amount of your original investment. For more information, please read your **Fund Guide** or speak to your Employer.

The government currently caps charges for stakeholder pensions at 1.5% of your fund value, for the first 10 years then 1% thereafter. Our current maximum charge is 1%.

This charge is taken as a percentage of the fund value and this varies according to the funds chosen, currently up to a maximum of 1% a year.

For example, if your fund is valued at £500 throughout the year, this means that we will deduct up to £5 that year. If your fund is valued at £7,500 throughout the year, we will deduct up to £75 that year.

Further costs

In addition to our charges, there may be further costs incurred, which can vary over time. Where these are applicable, they are paid for by the relevant fund and will impact on its overall performance.

For more information on these further costs, please read the **Fund Guide**.

What might I get back?

The size of your pension pot will depend on many factors such as:

- the amount that has been paid into the plan
- how long the payments have been invested
- the performance of the fund(s) you have invested in
- the age you choose to take your benefits
- how you take your benefits
- the amount of charges you've paid.

For an example of the income you could receive, please see your **Personal Illustration**.

When can I take my benefits?

You can start taking your benefits from the age of 55, even if you're still working. You might be able to take your benefits earlier than that if you're in ill health.

The Government has confirmed its intention to increase the minimum age from which you can access your personal or occupational pension from 55 to 57 on 6 April 2028. State Pension age will increase from age 66 to age 67 for males and females between 6 April 2026 and 5 April 2028. These ages may change in future.

Under the terms of this contract, you'll need to take your benefits by age 75.

What choices will I have when I want to take my benefits?

You've got different options to choose from when it comes to taking your benefits. We'll contact you as you approach retirement to let you know which of these options we may be able to offer you.

Depending on your choices, you might need to move your pot to another pension to access some of these options or to access them when you prefer.

Flexible cash or income (also known as drawdown)

You can take out up to 25% of the money moved into your flexible cash or income plan, in cash, tax-free. You'll need to do this at the start. You can then dip into the rest as and when you like. You can also set up a regular income with this option. Any money you take after the first 25% may be subject to income tax.

A guaranteed income for life (also known as an annuity)

You can use your plan to buy an income for life. It pays you an income (a bit like a salary) and is guaranteed for life. These payments may be subject to income tax. In most cases you can take up to 25% of the money you move into your guaranteed income for life, in cash, tax-free. You'll need to do this at the start and you need to take the rest as an income.

Cash in your plan all at once

You can take your whole plan in one go, as a lump sum. Normally the first 25% is tax-free, but on the remainder, you could lose 20%, 40% or even 45% to income tax, if it pushes you into a higher tax bracket (especially if you're still earning). You'll need to plan how you provide an income for the rest of your life.

Take cash in stages

You can leave your money in your plan and take out cash lump sums whenever you need to – until it's all gone, or you decide to do something else with what's left. You decide when and how much to take out. Every time you take money from your plan, the first 25% is usually tax free and the remainder may be subject to income tax.

Take more than one option

You don't have to choose one option – you can take a combination of some or all of them over time, even if you've only got one pension pot.

Whatever you decide to do with your pension savings – you don't have to stay with us. You should shop around and depending on the choices you make, you may find something more appropriate elsewhere, with alternative features, investment options or charges.

Any waiver benefit stops at your **Selected Retirement Date**, or if payments into the pot are stopped.

Where can I get guidance about what to do with my pension?

General guidance on all aspects of pensions is available from The Money Advice Service.

Telephone: **0800 138 7777**

Website: moneyadvice.service.org.uk

For people over 50, Pension Wise is also available. This Government service offers guidance to people with personal or workplace pensions on all the options available for their pension savings. You can have a free consultation online, over the phone and face to face.

Telephone: **0800 280 8880**

Website: pensionwise.gov.uk

If you have general requests for information or guidance concerning your pension arrangements contact:

The Pensions Advisory Service (TPAS)

120 Holborn
London
EC1N 2TD

Telephone: **0800 011 3797**

Website: pensionsadvisoryservice.org.uk

These services are free and impartial and using them won't affect your legal rights.

What about tax?

Tax relief

You'll normally receive tax relief on your contributions. For every £100 you pay into your plan, HM Revenue & Customs (HMRC) will pay in another £25. You'll get this tax relief up to the higher of £3,600 gross (including tax relief) or 100% of your earnings. If you earn above the basic rate you will be able to claim back the extra tax you pay through your tax return.

Please note tax relief will not apply to the waiver benefit aspect of your payments.

Annual Allowance

The Annual Allowance is a limit to the total amount of payments that can be paid to defined contribution pension schemes and the total amount of benefits that you can build up in defined benefit pension schemes each year, for tax relief purposes.

Money Purchase Annual Allowance

Taking money out of your pension will sometimes lower the amount you can pay into all the pensions you may have while still benefitting from tax relief. This limit is called the Money Purchase Annual Allowance (MPAA). Your pension scheme administrator or provider will have told you if you are subject to the MPAA at the time they started to pay you.

Lifetime Allowance

The Lifetime Allowance is a limit on the amount of pension benefit that can be drawn from pension schemes, whether lump sums or retirement income, and can be paid without triggering an extra tax charge.

Capital Gains Tax

You don't pay capital gains tax on your pension funds.

Income tax

Any money taken out, excluding any tax-free cash, may be subject to income tax. Lump sum benefits payable on death are not subject to income tax unless they are paid out more than two years after notification of death or where death occurred after age 75.

Inheritance tax

Lump sum benefits are not normally subject to Inheritance tax.

Tax rules can change and the impact of taxation (and any tax relief) depends on your circumstances. Before you make a decision you might want to speak to a financial adviser. They can help you understand the tax rules and how they might affect you.

For more information visit pru.co.uk/tax or the HMRC website at hmrc.gov.uk.

How will I know how my Prudential Premier Stakeholder Pension Plan is doing?

We'll send you a yearly statement, which shows how your plan is doing.

You can also phone our Customer Service Team on **0345 640 1000** and a member of our team will give you an up-to-date valuation.

Keep track of your plan online, at a time that suits you.

With your online service you can check the value of your plan, contact us securely, change personal details and view your documents. If you're not registered, it's easy and only takes five minutes. You'll need your policy number, postcode and date of birth. Go to pru.co.uk/registeronline to find out more

What happens to the Prudential Premier Stakeholder Pension Plan if I die?

If you die before you start taking your benefits, we will pay the value of your pension pot as a lump sum.

We decide who to pay your money to, but we ask you to help us make the decision by completing a Nomination of Beneficiary form and keeping it up to date. This is a common way of helping pension schemes choose who benefits from your pension after you die and means your pension doesn't normally form part of your estate for Inheritance Tax purposes. If the value of all death benefits paid as a lump sum from this and any other scheme is more than the Lifetime Allowance, there will normally be a special tax charge. For further details please read the section on "Lifetime Allowance".

For more information about inheritance tax rules, please go to HMRC's website hmrc.gov.uk/inheritance-tax

What if the Prudential Premier Stakeholder Pension Plan isn't right for me?

You have 30 days from the date you receive your plan documents to cancel your plan. This is called a cooling-off period.

If you start the Plan with a single payment and cancel within 30 days, you may get back less than you paid in if the value has fallen as a result of investment performance.

To cancel it, please complete and return the Cancellation Notice that we send you with your plan documents, or write to us at:

**Prudential Customer Services
Prudential
Lancing
BN15 8GB**

Please include your plan number.

If you do not exercise your right to cancel within the 30 day statutory period, the contract will become binding and we will not return any money to you until you are ready to take your benefits.

How much will the advice cost?

If you take advice then you will agree the cost of this with your adviser when you start the plan, please refer to your personal illustration or contact your financial adviser for further details.

Other information

Client category

We classify you as a 'retail client' under Financial Conduct Authority (FCA) rules. This means you'll receive the highest level of protection for complaints and compensation and receive information in a straightforward way.

Compensation

The products Prudential Assurance Company Limited (PACL) offer are covered by the Financial Services Compensation Scheme (FSCS). If we get into financial difficulties, you may be able to make a claim. The FSCS is an independent body set up by Government to provide compensation for people where their authorised financial services provider gets into financial difficulties and becomes unable, or unlikely to be able, to pay claims against it. This circumstance is referred to as being 'in default'.

Losses, which may result from poor investment performance, are not covered by the FSCS.

Where does FSCS protection apply?

There is full FSCS coverage if PACL is 'in default'.

- Your pension is protected up to 100% of the value of your claim.
- Any funds you choose to hold in your pension will be included in the value of your claim in the event that PACL is declared 'in default'.

All the other funds we offer are unit-linked, and invest in other funds managed by non-PACL fund managers. FSCS cover does not apply if the non-PACL fund manager were to be 'in default'.

- There is no FSCS cover for unit-linked funds investing with non-PACL fund managers if that manager were to be 'in default'.
- See 'How funds invest' for further information on these types of fund (often called 'mirror' funds).

You can find out more information on the FSCS at pru.co.uk/fscs, or you can call us.

Information is also available from the Financial Services Compensation Scheme.

Visit their website: fscs.org.uk

Or write to: **The Financial Services Compensation Scheme, PO Box 300, Mitcheldean GL17 1DY**

Or call the FSCS: Telephone: **0800 678 1100**

Financial Strength

Prudential meets regulatory standards for meeting its financial obligations. You can read our solvency and financial conditions reports at pru.co.uk/about_us, or if you contact us using the details on the last page, we can post some information to you.

Terms and Conditions

This Key Features Document gives a summary of your plan. Full details are set out in our **Policy Document** which is available on request using the contact details on the last page. We will also send it to you when your plan starts.

Conflict of Interest

We want to make sure that we uphold our reputation for conducting business with integrity. If we become aware that our interests may conflict with yours we will take all reasonable steps to manage it in an appropriate manner.

We have drawn up a policy to deal with any conflicts of interest. If you would like to know the full details, please contact us using our details on the last page.

Law

The law of Scotland applies to your contract.

Our regulators

We are authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority. Prudential Assurance Company Limited is entered on the Financial Conduct Authority (FCA) Register, FCA Reference Number 139793. The FCA Register is a public record of all the organisations that the FCA regulates.

You can contact the FCA at:

The Financial Conduct Authority
12 Endeavour Square
London
E20 1JN

Email: consumer.queries@fca.org.uk

Prudential Regulation Authority details:

The Prudential Regulation Authority
Bank of England
Threadneedle St
London
EC2R 8AH

Email: enquiries@bankofengland.co.uk

Communicating with you

Our documents and terms and conditions, as well as all other communications, will be in English.

How to make a complaint

If you have a complaint, please get in touch with us and we will do everything we can to resolve it. You can also ask us for details of our complaints handling process. Our contact details are in the 'Get in touch' section at the back of this document.

If you're not satisfied with our response, you can take your complaint to the Financial Ombudsman Service who help settle individual disputes between consumers and businesses providing financial services:

Financial Ombudsman Service
Exchange Tower
London
E14 9SR

Telephone: 0800 023 4567 or 0300 123 9123

Or visit the website: financial-ombudsman.org.uk

Help is also available from The Pensions Ombudsman who deals with complaints and disputes which concern the administration and/or management of occupational and personal pension schemes.

The Pensions Ombudsman
10 South Colonnade
Canary Wharf
London
E14 4PU

Telephone: 0800 917 4487

Email: enquiries@pensions-ombudsman.org.uk

Website: pensions-ombudsman.org.uk

You can also submit a complaint form online:
pensions-ombudsman.org.uk/making-complaint

These services are free and using them won't affect your legal rights.

Get in touch

If you want to contact us before you buy this plan, you can do so in the following ways:

With your online service you can check the value of your plan, contact us securely, change personal details and view your documents.

If you're not registered, it's easy and only takes five minutes. You'll need your policy number, postcode and date of birth. Go to pru.co.uk/registeronline to find out more.

Write to: **Prudential Customer Service Centre Lancing BN15 8GB UK**

We would like everyone to find it easy to deal with us. Please let us know if you need information about our plans and services in a different format.

All our literature is available in audio, large print or braille versions. If you would like one of these please contact us at: **Prudential, Lancing BN15 8GB**

Phone: **0345 640 1000** Monday to Friday, 8am to 6pm (we are not open on public holidays). We might record your call for training and quality purposes. To find out more about how we use your personal data please visit pru.co.uk/mydata/

An answer phone is in operation outside office hours.

If you are a deaf customer, who is also a British Sign Language (BSL) user, you can contact us using a Video Relay service. The service, provided by SignVideo, connects customers to fully qualified, registered NRCPD interpreters who will relay your conversation with a member of our customer service team.

pru.co.uk/contact-us/signvideo

There is no cost for using this service to call Prudential and we're available to help you Monday to Friday, 8am to 6pm.

Keep in touch

It's important that we keep in touch so, if you change your address or any of your contact details, please let us know.

pru.co.uk

"Prudential" is a trading name of The Prudential Assurance Company Limited which is registered in England and Wales. Registered Office at 10 Fenchurch Avenue, London EC3M 5AG. Registered number 15454. Authorised by the Prudential Regulation Authority and regulated by the Financial Conduct Authority and the Prudential Regulation Authority.
