Source of Wealth

- | | | | | | |
|--------------------------|---------------------|-----------------------------|-----------------------|--------------------------|------------------|
| <input type="checkbox"/> | Savings from income | <input type="checkbox"/> | Divorce settlement | <input type="checkbox"/> | Sale of business |

| <input type="checkbox"/> | Sale of investments | Other (please give details) | | | |

Please tick **all** applicable boxes.

We may need additional information (e.g. a certified copy of a bank statement) if payment is being made to an account where we can't verify the details of the account provided.

Please note that **all payments** (including partial and full withdrawals) will be made to the account specified unless otherwise told. We need to pay **all** the legal owners (except in the case of a Bond held in Trust), so any specified account must be in the names of all the legal owners. For cases with multiple trustees, payments must be made to an account in the name of at least one of the trustees, as a legal owner, with the authority of the other trustees.

If you don't specify an account for payments to be made to, or want to change this account, or request payment to a different account in the future, we may need additional identification/ verification documentation before any payments are made. This will also apply if any changes have been made to the account ownership.

9. Regular Withdrawals

If this Bond is to be set up as a Discounted Gift Trust please don't complete this section.

- If you take regular withdrawals the minimum payment is £100
- When regular withdrawals start or change, the amount requested during any 12-month period cannot exceed 10% of the premium including additional investments.
- Withdrawals are taken equally from all the policies in the Bond.
- If the total of regular withdrawals, one-off withdrawals taken across all the policies in a Bond, any Ongoing and Ad hoc Adviser Charges, in any policy year, exceeds 5% of the amount you have invested in your Bond, it may create an income tax bill. If you don't use all of this 5% allowance in any policy year, you can carry forward the unused portion. The allowance comes to an end once the total of payments described here equals 100% of the amount you invested. If they total more than the allowance in any policy year, the excess is treated as creating a chargeable event gain. A gain may create an income tax liability in excess of the basic rate and/or may affect any entitlement to personal allowances and certain tax credits. Please speak to your adviser.

I/We want to receive £ each year OR % of the premium (each year)

Please select the frequency of withdrawals by ticking the appropriate box. Minimum amount of each withdrawal is £100.

Payments will be made on the 15th day of each month (or the next working day where the 15th is not a working day) and will reach your bank account within five working days.

If no date is provided, your withdrawals will start at the first available frequency indicated, e.g. if you select "Every three months" then the withdrawals will begin three months after your Bond has been issued.

12. Declaration

Part A

This application should be read and signed by the person(s) who will own the Bond. For your own benefit and protection, you should read carefully the documentation provided (including any information provided to you by your Platform) before signing this form. You should also read carefully any further documentation provided to you in the future.

If there is anything you do not understand, please ask us for further information. You must be aged 18 or older and under age 90 to be the owner of the Bond.

For applications on, or after, 1 January 2018:

I confirm that I have read the Key Information Document, relevant Investment Option Document(s) or the Fund Managers own Key Investor Information Document(s) as appropriate for this product.

Please make cheques payable to: **Prudential International Assurance plc, UK Branch.**

All bank/building society "counter" cheques must include reference to the name of the account from which the funds have been withdrawn. For example, "Prudential International Assurance plc, UK Branch. – Re: Your name". An incorrectly completed cheque may require us to return your application which could affect the initial purchase price of your investment.

Your Chosen Platform

The Prudential Onshore Portfolio Bond is only available in conjunction with a Platform. In order to apply for this product your chosen Platform provider must have agreed with Prudential International that the Prudential Onshore Portfolio Bond can be administered on your chosen Platform. By choosing to invest in this Bond you are agreeing to administer your Bond on the Platform and confirm that you have agreed to the terms and conditions of that Platform.

Investment Notice

You and/or your Financial Adviser will select assets to which your Bond will be linked. You must ensure that you are fully aware of the details of these assets to ensure that you are aware of the risks involved.

In addition to the risks inherent in the underlying investment, assets may be subject to additional risks from exchange matters, withholding taxes or political and economic issues. Some assets can be relatively illiquid which can, at points in time, negatively affect investment and redemption values.

Some assets may be subject to very high risk – including the possible loss of your total investment – and may be subject to extremely wide and sudden fluctuations in value either upward or downward.

Some assets and investments have the ability to utilise many different and varying investment strategies and techniques, some of which may carry theoretically unlimited risk of loss. Some assets and investments may use gearing or similar mechanisms, which may amplify upward and downward investment movement. This can provide additional relative potential for gain but may similarly provide an additional relative potential for loss including immediate and substantial loss. Some assets may levy fees or other charges and costs on redemption or there may be restrictions regarding redemption. Some assets may not be subject to any level of investor protection or regulation. Equally, some assets may not be subject to any form of UK FCA recognition, or authorisation or operate from UK FCA

designated territories. Assets may or may not be authorised or regulated in non-UK jurisdictions and the nature of any such authorisation or regulation will be determined totally by the nature of the regulation prevailing in the relevant jurisdiction.

I confirm that I have read the prospectuses and associated documents of all assets associated with this Bond application and am aware of the nature of the investment and risks involved.

Personal Portfolio Bonds ("Highly Personalised Bonds")

Prudential International does not provide Bonds to UK residents that would be classified as Personal Portfolio Bonds under the relevant UK legislation. Such Bonds are subject to a recurring notional and "arbitrary" annual chargeable gain, which can give rise to a substantial recurring annual personal UK tax liability. If a selected asset is of a nature or becomes of a nature (as assets make-up and/or legislation can change) whereby your Bond is or becomes so classified, that asset must be terminated immediately and you alone will be responsible for any tax charge.

How we use your personal information

We, Prudential International Assurance Plc (PIA), take the privacy and protection of your personal information seriously. PIA will operate as the data controller in respect of the data we collect about you.

So we've set out below information about our processing of your personal information, what rights you have, and how you can get in touch if you want to know more.

When we say personal information, we mean information about you, such as your name, date of birth and contact details. We collect personal information from you that is necessary for us to either provide you with the product or service you've requested or to comply with statutory or contractual requirements. Unfortunately, if you don't provide all of the information we require this may mean we are unable to provide our products and services to you.

12. Declaration – continued

Part A – continued

Part A – How we use your personal information and why

We, M&G plc* and our Business Partners**, will use the personal information you provide to us, together with other information, for the following purposes:

- the administration of our products and services, including to enable us to perform our obligations to you and to provide any relevant services as discussed with you prior to any purchase of a product or service;
- complying with any regulatory or other legal requirements;
- carrying out checks using agencies such as credit reference agencies, tracing companies, or publicly available information (See Part B for more);
- the provision of customer services – like to reply to a question, or tell you that something's changing;
- automated decision-making or profiling (see Part C for more);
- keeping your information on record and carrying out other internal business administration.

Some of the purposes above are necessary to allow us to perform our contractual obligations to you and to enable us to comply with applicable laws and regulation. We may also rely on legitimate interests or other legal bases in using and sharing your personal information for the purposes described above to improve our products and services. This allows us to explore ways to develop our business and to gain insights into how our products and services are used.

In addition, we M&G plc and our Marketing Partners***, will use the personal information you provide to us, together with other information, to send you direct marketing offers by electronic or non-electronic means including by post, where you have consented us to do so. Please see Part G for further details.

Who we share your personal information with and why

We may share your personal information within M&G plc and with our Business Partners, for any of the purposes set out in Part A. If you have a joint policy or investment, the other person may receive your personal information too. If appropriate, we may also pass on your personal information to financial crime prevention agencies, any legal, regulatory or government bodies.

As we, M&G plc, and some of our Business Partners are global companies, we might need to send your personal information to countries that have different data protection laws to the European Economic Area. These transfers will only be to countries in respect of which the European Commission and, where applicable, the UK Government has issued a data protection 'adequacy' decision, or to other countries, such as India or the United States of America, but only where appropriate safeguards have been put in place first. In more limited circumstances, we may also need to rely on a derogation under applicable privacy laws.

If you want to know more about these safeguards – like our use of the European Commission's or UK's Model Clauses which govern the transfer of information outside of the European Economic Area and UK respectively – further information is available on request.

We keep your personal information for a set amount of time

Your personal information will be stored either for as long as you (or your joint policyholder) are our customer, or longer if required by law or as is otherwise necessary. It'll always be in line with our data retention policy.

Part B – Reference checks

For certain products, we may use approved credit reference agencies, tracing companies, financial crime prevention agencies, or publicly available information, to help us to check your identity, as well as to prevent fraud and money laundering; this may include checks on your current or previous addresses. Results of these may be recorded for future reference.

These checks may also be carried out for a joint policy holder or person(s) that you provide personal information on. Should we ever lose contact with you, we may use these agencies to verify your address to help us get back in touch.

Any transfer of your personal information will always be done securely.

Part C – We may use your personal information to make automated decisions or profile you

We, M&G plc, our Business Partners, and our Marketing Partners may use your personal information to make automated decisions affecting you or to conduct other profiling (for example, marketing profiling).

To the extent that we conduct such automated decision making activity, we'll provide you with further information at the appropriate time.

12. Declaration – continued

Part A – continued

Part D – Use of your sensitive personal information

For certain products or services, we'll need to process your sensitive personal information, such as information relating to health, genetics, biometric identifiers and sexual orientation. To the extent that we need your explicit consent to process this kind of personal information in the manner described in Parts A, B, and C, we will only process such data as provided by your consent.

Part E – You're in control

When it comes to how we use your personal information, you've got the right to:

- request a copy of your personal information for free (we may charge you for this if the request is manifestly unfounded or excessive). We shall respond as soon as reasonably possible and at the latest within 30 calendar days from the date of your request;
- in certain circumstances request that we move your personal information to another organisation if you want us to;
- request that we correct anything that's wrong, or complete any incomplete personal information;
- ask us to delete your personal information if it is no longer needed for the purposes set out in Part A or if there is no other legal basis for the processing;
- limit how we use your personal information or withdraw your consents you have given for the processing of your personal information (including consents to automated decision making);
- object to us using your personal information for direct marketing (including related profiling) or other processing based on legitimate interests;
- complain to a data protection authority or another independent regulator about how we're using it.

If you want to do any of these things, or would like an explanation as regards these rights, we've explained how you can get in touch in the '**Contact Us**' section.

If you do need to speak to us, it'll be useful to have to hand that the data controller of your personal information is PIA. PIA has also appointed a Data Protection Officer who can be reached at the details shown in the '**Contact Us**' section of this document.

We may monitor or record calls or any other communication we have with you. This will be for training, for security, or to help us check for quality.

Part F – Acting on someone else's behalf?

If you give us personal information about another person (or persons), we'll take that to mean they have appointed and authorised you to act on their behalf. This includes providing consent to:

- our processing of their personal information and sensitive personal information (as we've explained in Parts A, B, C, and D above);
- you getting any data privacy notices on their behalf.

If for any reason you are concerned as to whether you are permitted to provide us with the other person's information, please contact us on the phone number provided in the '**Contact Us**' section before sending us anything.

Part G – Direct marketing

From time to time, we, M&G plc, our Business Partners and our Marketing Partners may like to contact you by electronic or non-electronic means with details about products, services and any special offers. Please note that any consent you give will not apply to M&G Investments Group and Prudential UK as they operate their own customer databases.

And if you change your mind, and/or you would like to opt-out of receiving direct marketing, it's easy to let us know. Just contact us at the details noted in the '**Contact Us**' section.

Adviser Charging

I authorise Prudential International to act upon my instructions regarding the facilitation of Adviser Charges (the “Adviser Charge Instruction”) whether specified here now or at any time in future. I agree that with respect to Ongoing and/or Ad hoc Adviser Charges my “Adviser Charge Instruction” will be given to my Platform who will pass on these instructions to Prudential International. Prudential International will then act on such instructions as if they had come directly from me. I understand that Prudential International shall not be required to carry out such instructions (including any permitted by my adviser firm) where they conflict with any applicable law or regulation and/or where they are inconsistent with Prudential International’s Adviser Charge administration capability.

I understand that where there is a difference between the Adviser Charge Instruction and the Adviser Charges agreed with my adviser firm, Prudential International will only facilitate payment in accordance with my Adviser Charge Instruction.

I confirm that the Adviser Charge specified in my Adviser Charge Instruction is inclusive of any VAT due to my adviser at the prevailing rate from time to time. I understand that if the level of VAT applicable within the Adviser Charge changes (including where previously VAT free Adviser Charges become subject to VAT) Prudential International will only alter my Adviser Charge following a new Adviser Charge Instruction or instruction from my adviser firm which sets out the new level of charges to be deducted. I understand that, with the exception of changes in the level of VAT, the Adviser Charge may not be increased without my explicit authority. I agree that the Adviser Charge may be reduced or stopped by Prudential International or my Platform without my explicit authority.

I agree that where my adviser firm arranges for the services I have agreed with them to be provided by another adviser firm, I authorise Prudential International to amend my Adviser Charge Instructions to pay the Adviser Charges at the existing agreed level to the new adviser firm, except where they conflict with any applicable law, regulation and/or HMRC practice and/or where they are inconsistent with Prudential International’s Adviser Charge administration capability.

I confirm that I have discussed with my financial adviser the tax implications of my investment being net of any Set-up Adviser Charges, and also the tax implications of having my Ongoing Adviser Charge and/or any Ad hoc Adviser Charges deducted from the contract. I understand that deduction of any Ongoing Adviser Charge and/or any Ad hoc Adviser Charge will be treated as withdrawal from the Bond.

I understand this means that should the combined totals of my withdrawals (be they Adviser Charge deductions, regular and/or one-off withdrawals across all policies in the Bond) in any Bond year exceed the 5% tax deferred allowance (see the Key Features Document for details), then I may be liable to an Income Tax Charge. It may also affect my entitlement to personal income tax allowances and/or certain tax credits.

In Company cases a Non-Personal Corporate Entity Verification form is needed and also List of Signatories and Specimen Signatures.
