We provide an Investment Option Document for each of the funds you may switch into.

You can find more information about our available ex-Scottish Amicable life funds, in our current Fund Guide. This is available at www.pru.co.uk/funds/guides/

You can find more information about our available ex-M&G life funds at www.fundslibrary.co.uk/FundsLibraryBrandedTools/PruConsumer/FundCentral/Life In the field "Plan/Product", please select "Former M&G Life Plans" from the drop down list and then click on "Apply Filters".

Please note, not all life funds are available to each product. If you require more information, details of how to contact us can be found at: www.pru.co.uk/contact-us/
2. Once an investment switch has been processed it cannot be cancelled.
3. Any Switching Charge (if applicable) will be deducted before the switch is made.
4. The figures shown in brackets on the previous page are the current Fund Management Charge for each fund. The Fund Management Charge may not, in future, be taken in the way described in your policy booklet. If you have a policy issued by M&G Life, your policy booklet did not state any specific level of management charge but allowed for a charge to be taken. Where your policy was issued by Scottish Amicable the policy booklet stated a maximum annual level of management charge in the table of charges which was correct at the time of issue. The policy booklet allows for the level of management charges to be increased. Some of the funds that you choose now may have higher management charges than the maximum stated in your policy booklet. For more information on these charges, please look at the current Fund Guide for this product.
5. In addition to our charges, there may be further costs incurred, which can vary over time. Where these are applicable, they are paid for by the relevant fund and will impact on its overall performance. For more information on these Further Costs, please look at the current Fund Guide for this product.
6. If your policy is made up of clustered policies or segments (most policies originally sold by Scottish Amicable, plus the ex M&G Flexible Investment Plan (Paxus Series sold from February 1994 to July 1999)) you only need to put the main number on this form. Switches of investment-linked units and future reallocations of payments will apply equally to all individual policies or segments. If your policy was sold by M&G please put all the policy numbers you want to switch on page one.
7. Switching, investment re-allocation and redirection of distributions are not available on all policies. Please contact Prudential if you want to check availability for your policy(ies).
8. For all policies originally sold by Scottish Amicable, except Prudence Inheritance Bond, units may not be held in more than six funds at any time. Policies originally sold by M&G can normally invest in a maximum of 20 funds at any one time. However if your policy(ies) have both Capital and Accumulation units, the maximum is normally 10 funds. Please contact Prudential if you want to check availability for your policy.
9. For Prudence Inheritance Bond policyholders, only units redirected into the Endowment Policy within the bond can be switched/re-allocated. Policyholders are restricted to a maximum of three funds only for redirected units.
10. If your policy has been written under the Prudence Inheritance Bond Trust or the Wealth Preservation Bond Trust then only the investor need sign the form. If any other trust has been used then the trustees will have to sign the form.
11. Funds available for switching are limited to those offered by the original contract provider (i.e. a policy originally sold by M&G can only invest in the Prudential (previously M&G) funds listed and a policy originally sold by Scottish Amicable can only invest in the Prudential (previously Scottish Amicable) funds listed.
12. Funds cannot be switched for the following plans (previously sold by M&G and Scottish Amicable): Equity Bonus Bond, Property Investment Plan, Regular Investment Plan, Trust Assurance plan, Unit Trust Assurance plan, Bonus Bond, Capital Guarantee Bond, Distribution Bond.
